

Quacquarelli Symonds (QS) World
University Rankings 2015

NUS No. 12
in the World

POSTGRADUATE RESEARCH EDUCATION

APPLICATION REQUIREMENTS

- At least (2nd Class (Upper) Honours, based on NUS Grading System)
- GRE General Test
- TOEFL/IELTS
- GATE (Applicable to applicants from India only)

Note:

- TOEFL/IELTS is not required for applicants, who graduated from degrees that have English as the medium of instruction.
- For applicants, who graduated from a top university and has 1st-authorship publication(s) in journal(s) indexed by Science Citation Index Expanded, GRE can be exempted on case by case basis.

Details of programme and requirements are available at
<http://www.pharmacy.nus.edu.sg/programmes/GradResearch>

APPLICATION PROCEDURE

There are two intakes per academic year - January and August. Application to be submitted online at
<https://inetapps.nus.edu.sg/GDA2/Home.aspx>

Late applications may be considered on a case-by-case basis. Please do not hesitate to contact us for clarifications.

RESEARCH AREAS

Computational Modeling and Informatics

Rational Drug Discovery

Formulation and Processing

Drug Delivery/Dosage Forms

Disease Control and Management

Clinical Pharmacy and Pharmacy Practice

Disease Etiology, Biomarkers and Drug Targets

Natural Products

Pharmacokinetics

Pharmacoeconomics

Pharmacodynamics: Drug Safety and Efficacy

Pharmaceutical Biology
